Food and Drug Administration  
Office of Special Nutritionals  
Center for Food Safety and Applied Nutrition  
200 C St. SW  
Washington, DC 20204

Dear Sir or Madam:

This is to provide the required information to comply with our obligation under DSHEA labeling regulations.

Supplement: Vitamin E 800IU

Manufacturer, packer: Natural Factors Nutritional Products, Ltd.  
1550 United Blvd.  
Coquitlam, B.C.  
Canada V3K 6Y7

Distributor: Natural Factors Nutritional Products, Inc.  
1111 80<sup>th</sup> St. SW, Suite 100  
Everett, WA 98203

Text of side Panel: Each easy-to-swallow softgel contains 800iu (International Units) of pure vitamin E in the form of d-alpha tocopheryl acetate, derived and isolated from 100% natural sources. Vitamin E is a fat-soluble vitamin and antioxidant that protects cell membranes and prevents free radical damage, supporting the cardiovascular system and general health.\* Vitamin E's ability to protect cell membranes is important for people in polluted environments and those with active lifestyles. Experts recommend daily supplementation of vitamin E as it is difficult to get enough through diet alone.
